HOCKEY HELPS THE HOMELESS DURHAM UPDATE RE: COVID-19

In light of the recent COVID-19 advancements, direction from the Federal and Provincial Governments and to ensure that the safety of our event attendees remains our top priority, Hockey Helps the Homeless (HHTH) has made the unfortunate decision to cancel the upcoming HHTH Durham College Tournament slated for Friday, April 3rd.

I want to acknowledge and thank the students and leadership at Durham College for their tremendous fundraising efforts and support of our program. We were looking forward to working alongside you.

For those who are registered to play in the event, we will be following up with you directly to discuss next steps. We hope that you are able to show your support for Durham Region's homeless and at-risk youth by continuing to fundraise in support of the great work taking place at Durham Outlook. Hockey or no hockey, we can still make a difference in the lives of youth in need.

Should you have any questions or concerns, I encourage you to reach out directly to our Executive Director, Ryan Baillie by e-mail.

Many thanks for your patience and understanding.
